### INNOsign Tee Signs

The new INNOsign Tee Sign was designed for value and simplicity. We make the frames in our own factory and custom print each sign with your detailed specs, hole number, distance, and par. Each has a protective Lexan® sheet and aluminum printed sign. They are supplied with hardware to mount them to wooden posts. We recommend treated 4x4 fence posts.

**\$40.00 each**

### Installation Tubes

Galvanized to last, this installation tube is the same as the one that comes with our DISCatcher® PRO permanent model.

Install multiple pin positions to mix it up a bit. Move them around to create more variety and fun. Perhaps a winter short position to allow players to play a faster round when the days are short.

**\$25.00 each**
