At Chattooga Belle Farm we believe that every wedding is a unique, one-of-a-kind experience. The word "trendy" doesn't really fit into our vocabulary. It just so happens that "country chic" is a popular wedding style these days! No matter the latest fashionable label, the charm and splendor of a wedding set in a natural or outdoor venue will never go out of style. We pride ourselves in offering an authentic farm wedding experience.

If your dream is to say "I do" in a natural, down home setting we'd love to speak with you about helping you create that unique experience of your own. Or, if you already have your venue selected, but you're still looking for

Our Venue

Chattooga Belle Farm has a 5000sf event barn with a stacked stone fireplace and large sliding doors that open onto a large covered patio framing our incredible 270 degree view of the Blue Ridge Mountains. The barn also features a modern catering kitchen, bridal dressing room and farm store. There is ample outdoor lawn space for tents. We can accommodate weddings with up to 325

guests in our event barn and covered patio space. There are multiple ceremony locations on the property including spots beside Horseshoe Lake, at the event barn and in our vineyards or orchard.

Please give us a call at 864-648-9768 or email info@chattoogabellefarm.com to inquire about rental rates and packages!

Bridal Portraits

A background like no other

Even if you already have another venue selected for your wedding, you can still enjoy the amazing beauty of Chattooga Belle Farm. We welcome brides and their photographers from around the Southeast to the farm for their bridal portraits.

The backdrop of the Blue Ridge Mountains and vineyards provide an amazing, and one-of-a kind setting. No matter what the season, the rolling hills and stunning light and shadows give every bride their picture perfect moment in time.

There is a small photography fee for use of the farm, but that will allow you full access to the grounds.

Bridesmaid Wine Tasting

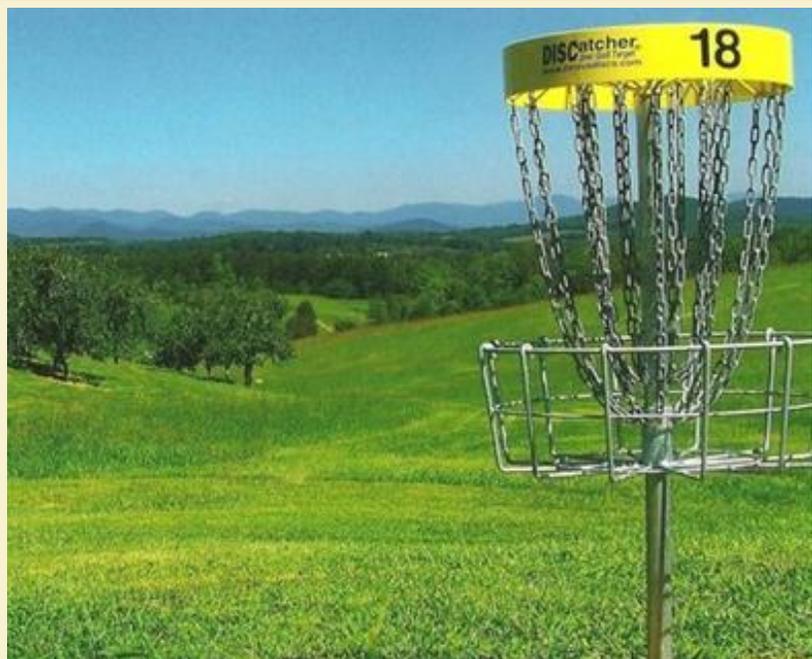

What could be more fun than enjoying tasty, locally made wine with your best girlfriends while you watch the sun set behind the mountains. Chattooga Belle Farm is more than an event venue, we also produce our own wine from grapes grown here in the vineyard.

We can customize a private wine tasting for you and your bridesmaids hosted on the patio of the event barn. You'll learn about variety of grapes we grow and sample a selection of wine.

It's the perfect way to say thank you for being a part of the most important day of your life.

Don't Forget the Guys!

Featuring mountain views, major elevation changes and water features, the 18-hole disc golf course is a perfect way for your hubby to be and his groomsmen to spend a day. And once the finish on the course, they can enjoy lunch at Belle's Bistro!

We look forward to the opportunity of working with you to create a farm wedding that is uniquely your own.

Sincerely,

Ed and Kitty Land
